

CAPABILITIES STATEMENT

Skydyne is a veteran owned small business specializing in the design and manufacture of custom cases. From aluminum to fiber-glass and composite materials, we can manufacture a case to just about any specification. Working from our 68,000-sq. ft. facility in Port Jervis, NY, we incorporate design, engineering, customer service, manufacturing, quality control and testing to ensure a quality product. The Skydyne Company has been recognized for superior quality and performance and has become a leading supplier of protective transit and storage containers serving the Defense, Aerospace, Marine, Emergency Management, and Electronic Industries.
